Terms and Conditions of

"The Acer Desktops Promotion"

These terms and conditions specify the rules, scope and conditions for participating in "The Acer Desktops Promotion" at uk-offers.acer.com (hereinafter the "Promotion").

Clause 1 — Organiser, Sponsor and definitions

1. The Organiser of the Promotion is WEC Sp. z o.o., with its registered office at ul. Jasnogórska 151, 31-358 Kraków, Poland, entered in the Polish National Court Register (KRS) under number 0000817159, NIP (Tax Identification Number): 9452232133, REGON: 385019389 (hereinafter the "Organiser").

2. The Sponsor of the prizes is Acer U.K. Limited, a company registered in England and Wales under company number 02252821, with its registered office at Ground Floor, West Wing, Heathrow Boulevard 4, 280 Bath Road, West Drayton, Middlesex, England, UB7 0DQ (hereinafter the "Sponsor" or "Acer").

3. The Organiser is responsible for the operational running of the Promotion, including verification of entries, communication with Participants and delivery of prizes. The Sponsor funds and provides the prizes.

4. The Promotion is in no way sponsored, endorsed, administered by, or associated with any retailer, social media platform, hardware manufacturer or other third party whose name may appear in connection with the Promotion, other than the Sponsor.

5. These terms and conditions (hereinafter the "Terms") set out the rules of the Promotion. By submitting an Entry, the Participant accepts these Terms in full and confirms that they meet all eligibility conditions.

Clause 2 — Promotion period

1. The Promotion runs from 15 October 2026, 00:00 UK time until 31 December 2026, 23:59 UK time (the "Promotion Period"), or until the prize pool is exhausted, whichever is earlier. To be eligible, a Qualifying Product must be purchased within the Promotion Period.

2. Entries must be submitted no later than 14 calendar days after the end of the Promotion Period, i.e. by 14 January 2027, 23:59 UK time (the "Claim Deadline"). Entries received after the Claim Deadline will not be accepted, save in the case of demonstrable technical failure on the Organiser's side.

Clause 3 — Eligibility

1. The Promotion is open to natural persons aged 18 or over who are residents of the United Kingdom (England, Scotland, Wales and Northern Ireland).

2. Residents of the Channel Islands, the Isle of Man, the Republic of Ireland and any other territory outside the United Kingdom are not eligible to participate in this Promotion.

3. The Promotion is open to consumers and to business customers purchasing for their own use. Purchases made by resellers, or for the purpose of resale, are excluded. The Organiser may request a declaration confirming that the product is for the Participant's own use.

4. The following persons are excluded from participation: employees, officers, contractors and immediate family members of (a) the Organiser, (b) the Sponsor, (c) any company in the Acer group, and (d) any agency or third party professionally connected with the administration of the Promotion.

5. Each Participant may submit a separate Entry for each Qualifying Product they purchase, provided that each Entry is supported by a distinct purchase (different serial number and a separate proof of purchase). Multiple Entries by the same Participant in respect of the same Qualifying Product (i.e. the same serial number) will be disqualified.

Clause 4 — Prizes and allocation

1. Every valid Entry receives the complete accessory bundle assigned to the Qualifying Product purchased, as set out in Clause 5 (the "Prize Bundle"). The Participant does not choose between prizes; both items in the Prize Bundle are awarded together.

2. Two Prize Bundles exist, one for each product range:

(a) the Nitro bundle, with an approximate retail value (ARV) of £69.98; and

(b) the Predator bundle, with an approximate retail value (ARV) of £129.98.

The bundle a Participant receives is determined solely by which Qualifying Product they purchased and cannot be exchanged for the other.

3. Prize Bundles are allocated on a first-come, first-served basis according to the time of receipt of a valid Entry by the Organiser, and are available while stocks last. Once the prize pool for a range is exhausted, no further Prize Bundles of that range will be awarded, even where an Entry is otherwise valid. Information that the prize pool has been exhausted will be published at uk-offers.acer.com.

4. Prizes are tangible accessories of a specified make and model. Colour, design and minor specifications may vary subject to availability.

5. Prizes are non-transferable, non-refundable and cannot be exchanged for cash or any other item. The Sponsor reserves the right to substitute a prize with one of equal or greater value if circumstances beyond its reasonable control make this necessary.

6. The Participant is solely responsible for any tax liability that may arise from the receipt of a prize. The Organiser and the Sponsor do not deduct or pay any tax on behalf of the Participant. Participants should consult HMRC guidance or a tax adviser if they are uncertain about their obligations.

Clause 5 — Qualifying Products, the assigned bundles and authorised retailers

1. The following Acer desktop computers purchased during the Promotion Period from an Authorised Retailer in the United Kingdom are eligible for this Promotion (the "Qualifying Products"), with the Prize Bundle assigned to each:

(b) Acer Nitro N30 (N30-100), Part Numbers DG.E53EK.008 and DG.E53EK.00C;

(d) Predator Orion 3000 (PO3-665), Part Numbers DG.E4UEK.001 and DG.E4UEK.007.

2. A Qualifying Purchase must be made from one of the following authorised Acer retailers in the United Kingdom (the "Authorised Retailers"):

(a) BOX (box.co.uk), operated by Five Tech;

(b) Laptops Direct (laptopsdirect.co.uk), operated by Buy It Direct;

(c) the Acer Store (acer.com/gb-en), operated by Acer.

Eligibility is determined by the retailer's authorised status as at the date of purchase; any subsequent change to the list of Authorised Retailers does not affect a purchase already made. The current list of Authorised Retailers is also published at uk-offers.acer.com. The Organiser is not responsible for purchases made from unauthorised retailers, marketplace third-party sellers, grey-market sellers or private individuals.

3. Refurbished, demo, ex-display, returned, second-hand or counterfeit products are not eligible, even if the model or Part Number matches a Qualifying Product.

Clause 6 — How to enter

1. To enter the Promotion, the Participant must, within the deadline set out in Clause 2:

(a) complete the entry form available at uk-offers.acer.com, providing the required personal details (first name, surname, email address, telephone number) and a postal address in the United Kingdom to which the Prize Bundle is to be delivered;

(b) upload a clear, legible image or scan of the proof of purchase (receipt or invoice) showing the retailer name, the date of purchase, the Qualifying Product and the price paid;

(c) provide the serial number of the Qualifying Product;

(d) upload a clear photograph of the rating label on the Qualifying Product showing the serial number, and a clear photograph of the label on the product packaging;

(e) accept these Terms and the Privacy Policy.

2. Submission of an Entry creates a binding agreement between the Participant and the Organiser on the basis of these Terms.

3. Incomplete, illegible, fraudulent, altered or otherwise non-compliant Entries will be rejected. The Organiser may contact the Participant once to request clarification or a clearer copy of a document. If the Participant does not respond within 7 days of such a request, the Entry will be finally rejected.

Clause 7 — Verification of entries

1. Entries are verified by the Organiser using a combination of automated and manual review.

2. As part of the verification process, the Organiser uses image-recognition and optical character recognition ("OCR") technology, currently provided by Google's Gemini Vision API (Generative Language API) operated by Google LLC (with EU-based access through Google Ireland Limited where applicable), to read and extract structured information from the documents submitted by the Participant. OCR results are used solely to support the work of the human reviewers.

3. The final decision on whether an Entry qualifies is taken by an authorised employee of the Organiser. No decision affecting the Participant is made solely by automated means within the meaning of Article 22 UK GDPR.

4. The Organiser will notify the Participant of the outcome of the verification by email within 14 working days of receipt of a complete Entry. If the prize pool is exhausted before an Entry is processed, the Participant will be informed accordingly.

5. Where the Organiser detects suspected fraud, manipulation of a document, duplicate Entries from the same Participant for the same serial number, or any breach of these

Terms, the Organiser may reject the Entry and, where appropriate, refer the matter to Acer and/or the competent authorities.

Clause 8 — Delivery of prizes

1. Following approval of an Entry, the Prize Bundle will be delivered by post or courier to the postal address in the United Kingdom provided by the Participant in the entry form, within 30 days of the date of the approval email. The Participant will receive a dispatch confirmation by email and, where applicable, a tracking number. Both items of the Prize Bundle are normally dispatched together.

2. The Participant is responsible for providing accurate contact and delivery details. The Organiser is not responsible for non-delivery resulting from incorrect, incomplete or out-of-date details provided by the Participant, including incorrect email addresses, postal addresses or filters preventing receipt of email. Where delivery fails for reasons attributable to the Participant, the Organiser will attempt to contact the Participant once; if no valid response is received within 14 days, the prize will be forfeited and may be returned to the prize pool.

3. Risk in the prizes passes to the Participant on delivery.

Clause 9 — Returned products

1. The prizes are conditional on the Participant keeping the Qualifying Product. If the Participant returns the Qualifying Product to the retailer for a refund or credit for any reason other than a replacement under warranty or the Participant's statutory rights in respect of a faulty product, the entitlement to the Prize Bundle lapses.

2. Where the Prize Bundle has already been dispatched at the time of such a return, the Participant must notify the Organiser at promotions@wec24.pl and return the prizes, unused and in their original packaging, within 14 days. The Organiser may request proof that the Qualifying Product has been retained before or after delivery of the prizes.

Clause 10 — Statutory consumer rights

1. Nothing in these Terms excludes or limits the Participant's statutory rights as a consumer under the Consumer Rights Act 2015 or other applicable consumer protection legislation. In particular, nothing in these Terms affects the Participant's rights against the retailer in respect of the Qualifying Product itself.

2. The standard Acer manufacturer's warranty and the Participant's statutory rights against the retailer apply in addition to the prizes awarded under this Promotion.

Clause 11 — Complaints procedure

1. Complaints regarding the Promotion may be submitted in writing to the Organiser at the address specified in Clause 1, or by email to promotions@wec24.pl. A complaint

should include the Participant's name, contact details, a description of the issue, the Promotion name and (where applicable) the Entry reference.

2. The Organiser will respond to complaints within 14 working days of receipt. Where additional information is required from the Participant, this period may be extended accordingly, and the Participant will be informed.

3. The Participant may also pursue any unresolved dispute through alternative dispute resolution or the courts (see Clause 15).

Clause 12 — Personal data

1. The controller of the personal data collected from Participants is the Organiser identified in Clause 1.

2. Personal data is processed for the following purposes and on the following legal bases under the UK GDPR:

(a) to administer the Promotion, verify Entries, deliver the prizes and respond to complaints — Article 6(1)(b) (necessary for performance of the contract formed by these Terms);

(b) to comply with the Organiser's legal obligations (e.g. accounting and record-keeping, anti-fraud) — Article 6(1)(c);

(c) to send marketing communications about Acer products and future Acer promotions, only where the Participant has given separate opt-in consent — Article 6(1)(a). Consent may be withdrawn at any time without affecting the lawfulness of processing carried out before withdrawal.

3. The categories of personal data processed are: first name and surname; email address; telephone number; postal address used to deliver the prizes; details of the Qualifying Product (including its serial number); the images of the proof of purchase and the product labels, and the data read from them via OCR (date, retailer, product, amount, document number).

4. The Organiser uses the following categories of processors, all bound by written data processing agreements:

(a) providers of image-recognition and OCR services — currently Google (Gemini Vision API / Generative Language API);

(b) hosting and IT infrastructure providers;

(c) postal and courier service providers (for delivery of the prizes);

(d) email service providers;

(e) accounting and legal advisers.

5. Some processors are based outside the United Kingdom, including in the United States. Such international transfers take place on the basis of: (a) the UK Extension to the EU-U.S. Data Privacy Framework (where the recipient is certified, e.g. Google LLC); and/or (b) the International Data Transfer Agreement (IDTA) or the UK Addendum to the EU Standard Contractual Clauses. A copy of the safeguards applied is available on request.

6. Retention periods:

(a) Entries that did not result in a prize: retained for 6 months after the end of the Promotion Period (to handle complaints and audit);

(b) Entries that resulted in a prize, including delivery details: retained for 6 years from the end of the Promotion Period (limitation period under the Limitation Act 1980 for contract claims in England and Wales);

(c) Marketing consent records: retained until consent is withdrawn, plus 6 months for audit.

7. Participants have the following rights under the UK GDPR: the right of access; the right to rectification; the right to erasure; the right to restriction of processing; the right to data portability; the right to object to processing; and the right not to be subject to a decision based solely on automated processing. These rights may be exercised by contacting the Organiser at promotions@wec24.pl.

8. Participants have the right to lodge a complaint with the supervisory authority, the Information Commissioner's Office (ICO): Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF; helpline 0303 123 1113; online complaint form at ico.org.uk/make-a-complaint.

9. Full information on the processing of personal data is set out in the Organiser's Privacy Policy, available at uk-offers.acer.com.

Clause 13 — Marketing communications

1. Marketing communications about Acer products and future Acer promotions will only be sent to Participants who have given separate, freely given, specific, informed and unambiguous opt-in consent via the dedicated checkbox in the entry form. The consent is not required to participate in the Promotion.

2. Participants may withdraw their marketing consent at any time, free of charge, via the unsubscribe link in any marketing email, or by emailing promotions@wec24.pl. Withdrawal of consent does not affect the lawfulness of processing carried out before withdrawal.

3. The Organiser does not publish the names, initials or any other personal data of Participants.

Clause 14 — Liability

1. The Organiser and the Sponsor accept no liability for: (a) Entries that are lost, delayed, corrupted or not received due to technical issues outside their reasonable control; (b) any inability of the Participant to access or use the entry form due to issues with the Participant's own equipment, internet connection or third-party services; (c) acts or omissions of third-party retailers, couriers or service providers.

2. Nothing in these Terms excludes or limits the liability of the Organiser or the Sponsor for: (a) death or personal injury caused by negligence; (b) fraud or fraudulent misrepresentation; (c) any liability that cannot be excluded under applicable law.

3. Subject to the preceding paragraph, the total aggregate liability of the Organiser and the Sponsor under or in connection with this Promotion is limited to the approximate retail value of the Prize Bundle relevant to the Participant's Entry.

4. The Organiser may suspend, modify or terminate the Promotion in case of force majeure, technical failure preventing fair administration, fraud, or where required by law or regulation. Where reasonably practicable, the Organiser will give advance notice at uk-offers.acer.com. Changes will not retroactively disadvantage Participants who have already submitted valid Entries.

Clause 15 — Governing law and jurisdiction

1. These Terms and any dispute or claim arising out of or in connection with them or their subject matter (including non-contractual disputes or claims) are governed by the laws of England and Wales.

2. The courts of England and Wales have non-exclusive jurisdiction to settle any dispute arising out of or in connection with these Terms. Nothing in this clause limits any statutory right of a consumer to bring proceedings in the courts of their country of residence within the United Kingdom (including Scotland and Northern Ireland).

Clause 16 — Final provisions

1. If any provision of these Terms is held to be invalid or unenforceable, the remaining provisions remain in full force and effect.

2. These Terms are published in English. They are available for review at uk-offers.acer.com throughout the Promotion Period and for at least 12 months thereafter. A copy may also be obtained on request from the Organiser.

3. Capitalised terms not otherwise defined have the meaning given to them in the body of these Terms.
